## SUMMARY

Passionate self-taught JavaScript developer with 3 years of experience specializing in both frontend and backend development. Proficient in React and MongoDB, with a solid understanding of building responsive and efficient web applications. Seeking to leverage my skills in a dynamic environment to contribute to innovative projects.

## EDUCATION

**Self-Taught Developer**

2019–Present

Completed multiple online courses and tutorials, including [List any specific courses if relevant, e.g., "Udemy: The Complete JavaScript Course"].

Built a portfolio of projects showcasing proficiency in full-stack development using JavaScript, React, and MongoDB.

## SKILLS

- FRONTEND
  JavaScript (ES6+)
  React.js
  HTML5/CSS3
  Responsive Design
  State Management (Redux, Context API)
  RESTful APIs
- BACKEND
  Node.js
  Express.js
  API Development
  Authentication & Authorization
  WebSocket
- DATABASE
  MongoDB (Mongoose, Aggregation, Indexing)
-

## PROFESSIONAL EXPERIENCE

**Freelance JavaScript Developer**

Remote | 2019 - Present

- Developed Full-Stack Web Applications:
  Built several full-stack web applications using React for the frontend and Node.js/Express for the backend, integrating with MongoDB for data persistence.

- Optimized Frontend Performance:
  Implemented performance optimization techniques such as lazy loading, code splitting, and image optimization, resulting in a 25% improvement in load times.
- API Development:
  Created and maintained RESTful APIs for client applications, ensuring security and scalability.
- Responsive Design:
  Developed responsive and mobile-first designs using CSS3 and modern frameworks, ensuring cross-browser compatibility.
- Collaborated with Clients:
  Worked directly with clients to gather requirements, provide technical consultations, and deliver high-quality products on time.

**Personal Projects**

- **E-Commerce**
  [React, Tailwind, Wix Headless]
- **Airbnb**
  [React, Typescript, Tailwind, Prisma]
- **RealEstate**
  [React, Sass, Prisma, MongoDb]
- **And More**
